Mr. Michael R. Styler, Executive Director  
Utah Department of Natural Resources  
P.O. Box 145610  
1594 W. North Temple, Suite 5610  
Salt Lake City, UT 84114-5610

Mr. Styler,

This letter is written as acknowledgment and concern of water issues as pertained to rapid growth of the Wasatch Front. Water is an essential part of this growth and must be managed and protected properly.

We express our concern that Salt Lake Area 57 has yet to be reviewed and adjudicated as per two court orders dated September 1, 1944 and June 21, 1972.

Your attention to this matter is requested as well as appreciated. Please contact us with any questions, comments or concerns.

Sincerely,

James E. DeGraffenried  
Mayor
