

May, 2007 Review of 35,687 Protests received by The Utah State Division of Water Rights

**Salt Lake City directly and indirectly filed about 1,737 protests
During the same period Orem City filed 7 protests.**

The Division of Water Right budget of about 6 million dollars is adversely impacted by chronic protests. Seeking a disproportionate voice in Utah's water commerce. The legal associated with a protest can be over \$1,000. Hearings, notices, travel, increased staff costs, etc eat up the annual Division of Water Right budget. These costs to control Utah's water commerce increase water rate
