

# Orem City v. Cottonwood Heights Water Rates: Homes, Hospitals, Schools, and Industry

Orem \$.55 per 1,000 Gallons v. Cottonwood Heights \$1.52 to \$3.28 per 1,000 Gallons

1737

Exhibit-5

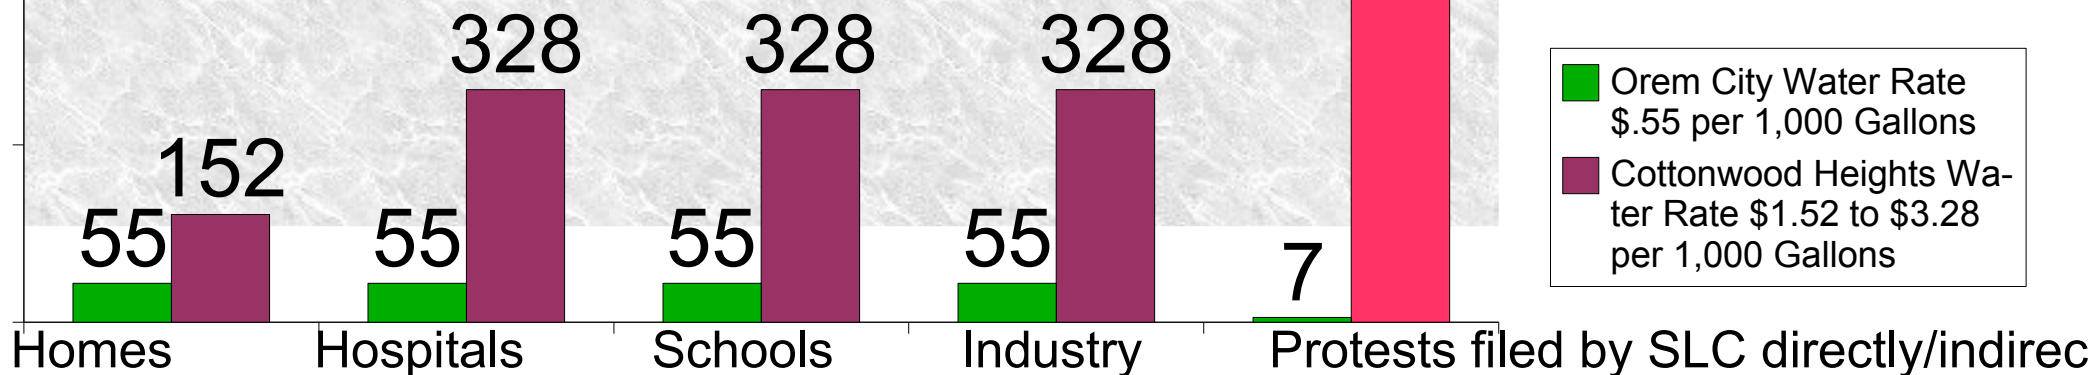

## Why does Salt Lake City charge 35% higher water rates in Cottonwood Heights, Murray, Holiday, Salt Lake County?

## Why are the rates 176% to 496% higher than Orem water rates?

Orem City has Impact Fee surpluses.  
Salt Lake City seeks Impact Fee increases.

SLC water politics costs of chronic protesting, chronic suing, and hoarding water to control other cities increase water rates.

31,231 out-side SLC city connections representing 75,000+ disenfranchised rate payers have no choice & no elected voice in SLC gov't, and no voice in Public Service Commission

**■** Orem City Water Rate  
\$.55 per 1,000 Gallons

**■** Cottonwood Heights Water Rate  
\$1.52 to \$3.28 per 1,000 Gallons
