"They [your water shares] will be invalid after that date."

"The company will pay you \$50/share minus a \$5 transaction fee."

November 3, 2007

Dear Stock Owner:

Following the change in our by-laws, to bring them up to date, it is necessary to re-issue new stock certificates. They can be issued to anyone owning stock whose assessed fees are paid in full. There is a five dollar stock issuance fee (one for each person-no matter how many shares you own). Certificates will be issued beginning November 9th, 2007 at noon. They will be available from noon till 10 pm Monday through Friday. Saturday from 10 am till noon at my home. Please call for an appointment. My phone number is 255-1251. Certificates must be exchanged before December 31, 2007. They will be invalid after that date. Thank you.

Sincerely yours,

**Sandy Parker
Sec./Treasurer**

If you still wish to sell, please sign your certificate & mail it to me. The company will pay you \$50/share minus a \$5 transaction fee.
