## 2005 Baseline City Population Projections 2000-2050

Area	Population						
	Census 2000	2005	2010	2020	2030	2040	2050

### Sources:

- 1) U.S. Census Bureau
- 2) Associations of Government; Governor's Office of Planning & Budget

### Notes:

- 1) All populations are date July 1, except for the April 1, 2000 figures produced by the U.S. Census Bureau.
- 2) The Utah Population Estimates Committee produced Vintage 2003 population estimates for the following cities: Leeds, Koosharem, Central Valley, Cottonwood Heights, and Fairfield. The 2000 Census estimates do not reflect the actions of UPEC. These special estimates are the base for the long-term projections that follow.
- 3) An April 1, 2000 estimates base was used for cities that UPEC completed special estimates for, because of incorporations or annexations. These include Apple Valley, Central Valley, Cottonwood Heights, Fairfield, Hanksville, Holladay, Hooper, Koosharem, Leeds, Murray, Taylorsville and West Jordan.
- 4) Because there was no population in the Utah County portion of Draper city on April 1, 2000, a July 1, 2000 population estimate was used.
- 5) 2005 through 2050 subcounty projections were produced by the Associations of Government analysts controlling to GOPB county totals.
- 6) County totals for 2005 through 2050 are the from 2005 Baseline Long Term Demographic and Economic Projection Series.
- 7) Initial projections of subcounty populations maintained a constant share based on the distribution of the most recent Census Bureau estimates.
