Mr. William Leavitt, Mayor
Town of Alta
P.O. Box 8016
Alta, Utah 84092-8016

Dear Mayor Leavitt:

I was in attendance at the Town Council meeting today. My primary interest was to observe and attempt to become better acquainted with procedure and people.

I respect your unilateral decision to allow only residents to speak at these meetings however I strongly disagree. What about business owners who are not residents? What about landowners who are not residents?

Immediately after the meeting, I was confronted by John Guldner. He accused me of many things including "your are responsible for making the mess up here in Alta", "what right did you have to sell lots to Ray Haik?", "Why are you so defensive?", "You caused us to go to the supreme court because of what you did in Albion Basin.", etc., etc. Mr. Guldner was rude and right-in-my-face.

There was nothing discussed relating to the Town of Alta. This is harassment.

Mr. Gouldner is the town administrator and a representative of your office and the town council. As an employee he was completely out of line. I don't know what his agenda is, however his behavior is unacceptable. My suggestion is that Mr. Gouldner should be terminated immediately as an employee of the Town of Alta.

In the future, I look forward to becoming more involved in issues relating to the Town of Alta and Albion Basin.

Cordially,

Marvin A. Melville
