Dear [REDACTED],

During our telephone conversation on the afternoon of Thursday, June 19, 2008, we discussed the GRAMA request that the Town of Alta received from you via fax on June 9, 2008. During that conversation, you directed me to provide you with totals, per fiscal year, of all legal fees paid by the Town of Alta for the time period that includes July 1, 1998 through the present. That information is enclosed with this correspondence. During our telephone conversation we agreed that, due to Town staff's prior vacation plans, copies of checks and invoices for these legal fees for that same time period, with all privileged information redacted, would be mailed to you by July 18, 2008. In the event that the Town of Alta cannot meet this July 18, 2008 time table, we will notify you as soon as possible.

In numbers one and two of your GRAMA request dated June 9, 2008, you also requested copies of "town records showing donations from the Friends of Alta" and copies of "town records showing donations from all parties to the Town of Alta for the time period of 1998 through the present." That information is enclosed with this correspondence.

Pursuant to Utah Code Ann. 63-2-203(1), the Town of Alta may charge a reasonable fee to cover its cost of providing records responsive to a GRAMA request. The cost of copying the records enclosed with this letter is \$.25 plus \$.42 postage and one hour of staff time at \$20.00/hour. Accordingly, please remit \$20.67 for the enclosed copies as soon as possible.

Sincerely,

Kate Black
Town Clerk/Records Manager
